

# Bench Drilling Machine

## WMW CM10

|                      |                             |
|----------------------|-----------------------------|
| stock-no.:           | 0200241                     |
| type of machine:     | Bench Drilling Machine      |
| make:                | WMW                         |
| type:                | CM10                        |
| year of manufacture: | 1957                        |
| type of control:     | conventional                |
| country of origin:   | Germany                     |
| storage location:    | Leipzig 1                   |
| delivery time:       | on request                  |
| freight basis:       | EXW, free on truck unpacked |
| price:               | on request                  |

### technical details

|  |                   |
|--|-------------------|
| bore capacity in steel (diameter):       | 20 mm             |
| throat:                                  | 220 mm            |
| bore stroke:                             | 85 mm             |
| Distance spindle/table max.:             | max. 260 mm       |
| range of revolution per minute:          | Keilriemen U/min  |
| spindle taper MT:                        | 2                 |
| table surface area:                      | 220 x 280 mm      |
| base plate surface area:                 | 225 x 280 mm      |
| distance spindle center to floor plate:: | max. 380 mm       |
| total power requirement:                 | 0,33 kW           |
| machine weight ab.:                      | 125 kg            |
| dimensions L x W x H:                    | 0,8 x 0,4 x 0,8 m |

### additional information

The machine is currently in the technical department.  
Table rotatable  
380 V with connection cable 2500mm
