

# CNC Lathe BÖHRINGER NG 200

Sorry the machine has been sold already!

|                      |                    |
|----------------------|--------------------|
| stock-no.:           | 0300550            |
| type of machine:     | CNC Lathe          |
| make:                | BÖHRINGER          |
| type:                | NG 200             |
| year of manufacture: | 2002               |
| type of control:     | CNC                |
| country of origin:   | Germany            |
| storage location:    | Leipzig 1          |
| delivery time:       | on demand          |
| freight basis:       | EXW -free on truck |
| price:               | on request         |

## technical details

|                                 |                      |
|---------------------------------|----------------------|
| turning length:                 | 850 mm               |
| swing over bed:                 | 600 mm               |
| x-axis:                         | plan: 220 mm         |
| z-axis:                         | längs: 950 mm        |
| control:                        | Siemens 840D         |
| speeds:                         | 0-4500 U/min         |
| tool turret:                    | 2 Stück              |
| spindle bore:                   | 65 mm                |
| swing diameter:                 | 290 mm               |
| Number of working hours:        | siehe Foto h         |
| feed:                           | x/y: 25 m/min        |
| rapid traverse:                 | x/z: 25 m/min        |
| work height max.:               | 1200 mm              |
| total power requirement:        | 60 kVA               |
| weight of the machine ca.:      | 10,0 t               |
| dimension machine approx.LxWxH: | L:4,05xB:3,6xH:2,8 m |

## additional information

modern CNC lathe with 2 tool turrets and air conditioned electric cabinet.  
equipped with a mineral-machine bed  
every tool turret can be equipped with 12 tool tapers  
tailstock NC controlled 25m/min (cone SK30), shift 740mm, contact pressure force 3000-8000 Nm  
steady rest slide device available  
part pick up clamping device hydr. , force operated with 1 power clamping 3-jaw chuck dia. 215mm via foot control 2 times  
swarf conveyor type SPF 063 00L and coolant device  
accessories:  
diverse tool tapers  
i.D.
