

# Center Lathe Metallexport TUD 50-2000

|                      |                                         |
|----------------------|-----------------------------------------|
| stock-no.:           | 0303057                                 |
| type of machine:     | Center Lathe                            |
| make:                | Metallexport                            |
| type:                | TUD 50-2000                             |
| year of manufacture: | 1974                                    |
| type of control:     | conventional                            |
| country of origin:   | Poland                                  |
| storage location:    | GOG Bitterfeld                          |
| delivery time:       | immediately                             |
| freight basis:       | ex location GOG, free on truck unpacked |
| price:               | on request                              |

## technical details

|                                  |                             |
|----------------------------------|-----------------------------|
| turning diameter over bed:       | 500 mm                      |
| turning diameter over support:   | 300 mm                      |
| turning length:                  | 2100 mm                     |
| centre distance:                 | 2000 mm                     |
| spindle passage:                 | Bohrung ca. Ø 60 mm         |
| range of revolution per minute:  | 35,5 - 1800 / 18 step U/min |
| rapid motion - x-axis:           | Support 4,2 m/min           |
| tailstock quill taper MT:        | MK 5                        |
| tailstock quill adjustment:      | 180 mm                      |
| total power requirement:         | kW                          |
| control voltage:                 | 220 V                       |
| weight of the machine ca.:       | 3,25 t                      |
| dimension machine approx. LxWxH: | 3,5 x 1,2 x 1,6 m           |

## additional information

Thread cutting possible, e.g. metric thread, module thread and inch thread  
Eilgang Quersupport  
Futterschutz  
2x Späneauffangwanne

Zubehör: (siehe vergleichbar auf Foto)  
2x Lünette (1x geschlossen und 1x offen)  
Planscheibe  
3-Backenfutter  
Backenpaare  
Flansch  
Spitzen  
div. Zahnräder
