

# Universal Milling Machine

## WMW RUHLA FUW 250/IV

Sorry the machine has been sold already!

|                      |                           |
|----------------------|---------------------------|
| stock-no.:           | 0400446                   |
| type of machine:     | Universal Milling Machine |
| make:                | WMW RUHLA                 |
| type:                | FUW 250/IV                |
| year of manufacture: | ca. 1978                  |
| type of control:     | conventional              |
| country of origin:   | Germany                   |
| storage location:    | Leipzig 2                 |
| delivery time:       | immediately               |
| freight basis:       | EXW -free on truck        |
| price:               | on request                |

### technical details

|                                           |                        |
|-------------------------------------------|------------------------|
| x-travel:                                 | 400 mm                 |
| y-travel:                                 | 250 mm                 |
| z-travel:                                 | 300 mm                 |
| tool taper:                               | ISO 40                 |
| spindle turning speed - stepless:         | vert. 45...2240 U/min  |
| spindle turning speed - stepless:         | horiz. 45...2240 U/min |
| milling head -swivable +/-:               | 360 °                  |
| surface area:                             | 630x345 mm             |
| table load capacity:                      | 120 kg                 |
| feed:                                     | 6,3...1250 mm/min      |
| distance between column - table edge:     | min/max:155/500 mm     |
| distance between table/spindle:           | horiz. 38...438 mm     |
| vertical movement of the milling spindle: | Hub 80 mm              |
| distance between table/spindle:           | vert. ...400 mm        |
| total power requirement:                  | ca. 7,0 kW             |
| weight of the machine ca.:                | ca. 1,45 t             |
| dimensions of the machine ca.:            | L:1,45xB:1,4xH:1,75 m  |

### additional information

vertical installation area for milling table: 800x250 mm  
equipment:  
- counter holder  
- clamping chuck Sk40  
- coolant tank
