additional information

- DOCUMENTATION available
- 4 machines available
- Presses were in line in the working process together with 160to and 63to presses (Stock no. 0700342 and 0700353).

All presses were in a process line and were supplied by a central lubricant pump.

Presses are not connected. Without lubricant pump!

For sale at a low budget price, as is, suitable for reassembly/reconstruction.
