

Slip Grinding Machine

RÖSLER R620 Euro

Sorry the machine has been sold already!

stock-no.:	0800013
type of machine:	Slip Grinding Machine
make:	RÖSLER
type:	R620 Euro
year of manufacture:	2000
type of control:	conventional
country of origin:	Germany
storage location:	Leipzig 5
delivery time:	immediately
freight basis:	EXW -free on truck
price:	on request

technical details

motor:	1500 U/min
voltage:	3x400 / 50 V / Hz
volume:	620 L
weight of the machine ca.:	1,4 t
space requirements approx. LxWxH:	2,6x2,5x1,92 m
total power requirement:	7,5 kW

additional information

Vibratory Process Bowl

process bowl with abrasives extraction socket. The process bowl is mounted elastic with compression springs on the underframe of the machine.

Two levels of vibratory intensity (amplitude) can be automatically selected for aggressive de-burring followed by gentle smoothing.

Applications:

- Deburring
- Degreasing and Oil Removal
- Descaling / Cleaning
- Smoothing / Brightening / Polishing
- Radiusing
- Grinding
- Antiquing
- Painting

Technical details:

Flat bottom processing channel

Reversing of rotational direction of vibratory motor moves the parts to the top of the media mass for easy manual removal

Rösler double-flange vibratory motor with 2 speeds (1500 and 1000 rpm at 50 Hz); easy and safe lubrication of the bearings

Adjustable imbalance weights allow different grinding intensities

Wear resistant lining made from hot poured polyurethane

Media unload plug with integrated effluent drain

Slip Grinding Machine

RÖSLER R620 Euro

Addition detail

Accoustic hood - Ø1800 x 1500mm high (depth - 300mm)

Dual speed motor 900-1485rpm, 4.5 - 7.5kw
