

# Rotary Welding Table

## ESAB TAP 1T-STD

Sorry the machine has been sold already!

|                      |                      |
|----------------------|----------------------|
| stock-no.:           | 1100309              |
| type of machine:     | Rotary Welding Table |
| make:                | ESAB                 |
| type:                | TAP 1T-STD           |
| year of manufacture: | 2012+2013            |
| type of control:     | conventional         |
| country of origin:   | Sweden               |
| storage location:    | Leipzig 5            |
| delivery time:       | immediately          |
| freight basis:       | EXW, free on truck   |
| price:               | on request           |

### technical details

|                            |                                              |
|----------------------------|----------------------------------------------|
| table diameter:            | Ø 900 mm                                     |
| table load:                | ca. 1,5 t                                    |
| max. Turning Capacity:     | 1 MT @ 75mm                                  |
| max. tilting capacity :    | 1 MT @ 270mm                                 |
| table turning speeds:      | 0,12 - 1,2 U/min                             |
| tilting range table plate: | 0 - 135 °                                    |
| tilting range arm:         | 0 - 45 °                                     |
| clamping plate on table:   | Ø 1000 mm                                    |
| voltage:                   | 380/400/415 - 50 Hz / 440/460/480V - 60 Hz V |
| max.tilting height:        | 1358 mm                                      |
| total power requirement:   | 0,75 kW                                      |
| machine weight approx.:    | 950 kg                                       |
| dimensions LxWxH:          | 2,1 x 1,7 x 1,6 m                            |
