

Sorry the machine has been sold already!

|                      |                             |
|----------------------|-----------------------------|
| stock-no.:           | 1100856                     |
| type of machine:     | Swarf Conveyor              |
| make:                | nicht bekannt               |
| type:                | -                           |
| year of manufacture: | -                           |
| type of control:     | conventional                |
| country of origin:   | Germany                     |
| storage location:    | Flanschenwerk               |
| delivery time:       | on request                  |
| freight basis:       | EXW, free on truck unpacked |
| price:               | on request                  |

## technical details

|                                 |                   |
|---------------------------------|-------------------|
| length in total:                | mm                |
| band width:                     | 360 mm            |
| conveying height:               | 1300              |
| weight of the machine approx.:  | 700 kg            |
| total power requirement:        | 5,0 kW            |
| dimension machine approx.LxWxH: | 3,4 x 1,2 x 1,7 m |

## additional information

chip conveyor hinged type  
Discharge height/conveyor height: 1300mm  
Insertion length 1200mm  
Insertion width 910mm  
insertion height 350mm  
Chip intake with attached sheet metal construction LxW: 900 x 900mm; band length 600mm band width 360mm  
The conveyor is movable and stationary fixed via adjusting screws.  
Incl. cooling water tank with pump TH15 32-08/2, delivery volume 1,8 - 3 m³/h; pressure 7 - 20 bar
