

# Bridge Crane - Single Beam

## ABUS ELV - 5300x3.2

|                      |                             |
|----------------------|-----------------------------|
| stock-no.:           | 1201971                     |
| type of machine:     | Bridge Crane - Single Beam  |
| make:                | ABUS                        |
| type:                | ELV - 5300x3.2              |
| year of manufacture: | 1995                        |
| type of control:     | other                       |
| country of origin:   | Germany                     |
| storage location:    | Leipzig 1 Außenbereich      |
| delivery time:       | by arrangement              |
| freight basis:       | EXW, free on truck unpacked |
| price:               | on request                  |

### technical details

|                                    |                                       |
|------------------------------------|---------------------------------------|
| lifting capacity:                  | 3,2 t                                 |
| lift:                              | mm                                    |
| span width:                        | 5300 mm                               |
| stroke speed:                      | 5,0                                   |
| rope diameter:                     | 6,5 mm                                |
| precise lift:                      | 5,0 m/min                             |
| electric control:                  | ja                                    |
| lifting height max. hook position: | m                                     |
| travel of hook:                    | 6,0 mm                                |
| total power requirement:           | 13,6 kW                               |
| weight of the machine ca.:         | 5,3 t                                 |
| transport dimensions LxWxH:        | ca. 6,8 x 2,35 x 1,5 mit 4 Paletten m |
