

Transformer Station

SIEMENS 4HB6167-4SA05

Sorry the machine has been sold already!

stock-no.:	1400013
type of machine:	Transformer Station
make:	SIEMENS
type:	4HB6167-4SA05
year of manufacture:	2007
type of control:	sonstige
country of origin:	Germany
storage location:	
delivery time:	on demand
freight basis:	EXW -free on truck
price:	on request

technical details

current capacity:	1250 kVA
Voltage primary:	20 kV
Voltage secondary:	400 V
current:	primär 34,4 A
current:	sekundär 1718 A
frequency:	50 Hz
short circuit voltage:	5,75 %
weight:	ca.12,0 t
transport dimensions LxWxH:	3,15x2,54x2,52 m

additional information

This isn't a medium voltage plant!
